## 5-POINT GUARANTEE

1. Lifetime Windows and Siding will follow all building codes to ensure your project is completed correctly and by the book.
2. We will maintain a clear stream of communication throughout the project from order to completion. All questions will be addressed same day.
3. Projects will be completed in a timely manner. We work on one project at a time and will not leave until the project is finished.
4. No surprises! Once an order is approved, your price does not change. If we lack the foresight to estimate all eventualities, we will absorb the cost of any additional work required to complete your project. \*
5. 100% No Questions Asked Unlimited Parts & Labor Warranty. You will never pay anything for any part, service or labor associated with your windows or siding as long as you own your home; including accidental glass breakage.
